Extinguishers, Fire and Smoke Alarms

Unauthorized use and/or abuse of fire alarms, smoke alarms, or fire extinguishers is prohibited. Sounding a false alarm, tampering with fire-fighting equipment, or setting fire will result not only in disciplinary action but in arrest, as well as a charge for repairs and/or replacement of equipment.

Severe Weather

In the event of severe weather (Tornados, hurricanes, etc.), the following procedures should be followed as directed by Residence Hall Staff members:

- If time allows, close windows and blinds.
- If time allows, proceed to the lowest level of the building.
- Do not exit the building.
- Find an interior hallway or room with no windows.
- Sit against the wall, do not stand.
- Be prepared to cover yourself for additional protection.

Students are responsible for meeting all assigned classes. In the event of inclement weather, students are expected to attend classes as usual as long as they do so without risk of peril to themselves or to others. Students will be notified of any inclement weather and/or of College closings via student email and RAVE Notification Alerts. Students are advised to update contact information with the College Admissions Office upon changes.

Room Security and Door Propping

The front and rear doors of the Residence Halls may be used at all times. Any student caught using emergency exits will be subject to sanctions and fines including but not limited to immediate suspension from the Residence Halls. When leaving a room for whatever reason (even if just to visit next door), residents should lock their door. Personal theft most often occurs where the room door was left open and unattended. Should theft occur, students should contact Campus Police.

Propping open entry doors breaches the safety of the occupants. Violators are subject to disciplinary action.

Violence Against Women Reauthorization Act

Effective March 7, 2014. VAWA’s SaVE Act provision adds domestic violence, dating violence, and stalking to the Clery Act reporting requirements. Domestic Violence: Includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.
**Dating Violence:** Violence committed by a person:
A. Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
B. Where the existence of such a relationship shall be determined based on a consideration of the following factors:
   i. The length of the relationship.
   ii. The type of relationship.
   iii. The frequency of interaction between the persons involved in the relationship.

**Stalking:** Engaging in a course of conduct directed at a specific person that would cause a reasonable person to:
A. Fear for his or her safety or the safety of others; or
B. Suffer substantial emotional distress.

**Safety Tips**
While the College is a friendly, safe, non-threatening campus, there are general safety precautions to follow wherever you may be. We at the College encourage you to incorporate the following precautions in your daily activities whether you are on campus, shopping, traveling, or in your own neighborhood at home.

- **Be an alert walker.** Walk confidently. Know who and what is around you.
- **Always lock your door.** It only takes a burglar 40 seconds to steal something!
- **Don’t flaunt your valuables.** It just adds to the temptation. Keep valuables out of view.
- **Identify valuable property.** Keep a list of serial numbers. Write your name in the same secret place in all your textbooks, for instance.
- **Determine safe, well-lighted routes.** Don’t take shortcuts, especially at night.
- **Report unusual situations.** If you think something may be wrong, it probably is. Call Campus Police (251-580-2222), the college Switchboard (251-580-2100), the Bay Minette Police Department (251-580-2559), or 911.
- **Use the “buddy system.”**
- **Always let someone know your plans.** Let someone (roommate, friend) know where you are. Doing this will prevent concern over your absence.
- **Shout for help.** If you are ever attacked or are running from an attacker, shout and keep shouting until someone hears you; call out a friend’s name as if he or she is just up ahead.
- **Be prepared to defend yourself.** Many common items can be used as weapons (i.e. pencil, purse, book bag, etc.).
- **Carry a whistle.** It could save your life.
- **Always lock your car.** Never leave valuables in your car.
- **Check your car.** Always check the back seat and floors as you approach your car.
