COMMUNITY COLLEGE

**Waiver of Due Process Form**

**If a student(s) accepts responsibility of an offense that warrants disciplinary action by the Student Conduct Administrator and wishes to do so, that student(s) may waive the right to a hearing and accept the decision of the Student Conduct Administrator. Once the student(s) selects to waive their right to a due process hearing and an administrative decision is made, that decision is final with no appeal.**

- *Disposed by Mutual Consent*

---

I accept responsibility for violating the Coastal Alabama Student Code of Conduct. I would like to waive the right to a hearing and accept the decision of the Student Conduct Administrator. I understand that once I waive my right to a due process hearing, the decision of the Student Conduct Administrator is final with no appeal.
